If you do not direct the investment of your account, your account will be invested in a Plan QDIA designated by the Plan Administrator or other Plan investment fiduciary.

Participant accounts are directed into a Plan QDIA designated by the Plan investment fiduciary based on information reflected in the Plan's records at the time of default, including but not limited to the normal retirement age specified in the Plan, a participant's date of birth and certain risk profiles, as applicable. You should contact the Plan Administrator or other responsible Plan fiduciary to make sure the indicative information for your account, including your date of birth, is accurately reflected in the Plan's records.

Please note that your existing account balance will remain invested in the QDIA designated by the Plan fiduciary at the time of the initial default unless and until you provide investment direction for your account, or as instructed by the Plan fiduciary.
